I. Who We Are:

This Notice describes the privacy practices of Robert Wood Johnson University Hospital Hamilton, and the physicians, nurses, technologists, and other individuals that work at Robert Wood Johnson University Hospital Hamilton (“RWJ HAMILTON”, “we” or “us”). This Notice also describes how authorized health care providers may use and disclose your Health Information electronically through Health Information Organizations.

Health Information Exchange/Health Information Organizations. RWJ HAMILTON participates in health information organizations such as “Jersey Health

Connect” and the Trenton Health Exchange. These are groups of healthcare facilities established to help patients and their authorized healthcare providers, treating the same patient, share – or exchange – relevant healthcare information. Only patients and caregivers who are authorized – including physicians, hospitals, labs, etc. – have secure, immediate, electronic access to your vital medical information. This helps your caregiver have access to needed medical information to provide you with the best care possible. We may disclose your medical information for treatment, payment and health care operations purposes as part of these health information organizations. You may opt out of these health information organizations as set forth below under “Your Rights.” If you *do not* opt out, your medical information will be available through these networks to authorized participating providers in accordance with this Notice and applicable law. If you do opt out, your medical information will continue to be used in accordance with this Notice and applicable law, but will not be made electronically available through these health information organizations.

We are required by law to maintain the privacy of medical and health information about you and to provide you with this Notice of our legal duties and privacy practices with respect to Protected Health Information. “Protected Health Information” generally includes individually identifiable information about your past, present, or future physical or mental health, the health care you have received, or payment for your health care. We are required to abide by the terms of this Notice (or other notice in effect at the time of the use or disclosure).
